ANNOUNCEMENTS

A warm welcome to all of our visitors here today. We are blessed by your presence and hope that you are blessed too.

Our librarians have been working hard at placing “new” books on the shelves in the library. So, if you’re looking for a good read, be sure to visit the library. There are lots of great books to choose from—old and new. There is a great variety—EGW books, theological/inspirational, SDA history, biographies, Christian novels, cookbooks, health, and many more.

Arizona Conference of Seventh-day Adventists is on summer hiatus! Although our students and teachers are enjoying the summer, we fervently pray that they will desire, more than anything else in their lives, a close and committed relationship with Jesus. This is what they have been learning in the Christian school that you so generously support. May God bless you for the support you give, knowing that your help is going to a great cause. If you know someone who is seeking a quality Christian education, please contact Nicole Lyn Mattson / nmattson@azconference.org / (269) 788-2190.

If you will try to suppress every evil thought through the day, then the angels of God will come and dwell with you. These angels are beings that excel in strength. You remember how the angel came to the sepulcher, and the Roman soldiers fell like dead men before the glory of his countenance; and if one angel could work with such power, how would it have been if all the angels that are with us here, had been present? The angels are with us every day, to guard and protect us from the assaults of the enemy. The Truth About Angels, p. 19
