**At Arizona Conference** of Seventh-day Adventists we are gearing up for another exciting school year. Our campus is looking forward to seeing our returning students along with fun new faces too! To start the new year strong, we encourage you to teach your children the gift of organization. Establish routines and provide materials that makes it easier for your child to become more independent. Things such as an assignment log, notebooks, folders, a calendar, and other tools can get your child prepared to be more responsible as they grow. When your child is presented with a large task, help them break it into small steps and establish deadlines for each task. Do you know a student still looking for a school for this fall? Please contact Kelly Sue Blake / 480-991-6777 x 110 for a personalized education conversation.

*When the heavenly portals shall open and we shall enter there, we will find ourselves no strangers. The voices that will greet us are the voices of the holy ones, who, unseen, were on earth our companions—voices that here we learned to distinguish and love. We, who through the Word of God have lived in fellowship with heaven, will find ourselves at home in heaven's companionship. The Truth About Angels, p. 300, paraphrased*
